Responsible Lobbying Statement

Director Approval Record

Alexander &CO. is committed to conducting its business with integrity, transparency and accountability.

Alexander &CO. does not engage in lobbying activities, either directly or through third parties, and does not make financial or in-kind contributions intended to influence public policy, legislation, regulation or political decision-making.

Should Alexander &CO.'s approach changes in the future, any lobbying or public policy engagement will be conducted transparently, responsibly and in accordance with applicable laws and the values of the practice.

|

This statement will be published on the Alexander &CO. website and reviewed periodically to ensure it remains accurate and appropriate.

Approval

The undersigned approve this Responsible Lobbying Statement on behalf of Alexander &CO. as the organisation's highest governing body.
